

Langkah-langkah membuat email gmail

1. Ketik **gmail.com** di browser lalu tekan **enter**. Maka akan muncul tampilan seperti di bawah ini:

2. Klik **Create account**, maka akan tampil form isian data pendaftaran seperti di bawah ini:

The screenshot shows the "Create your Google Account" form. The header includes the Google logo and a "Sign in" button. The main heading is "Create your Google Account". Below it is the text "One account is all you need" and "A single username and password gets you into everything Google." with icons for various Google services. The form itself is on the right and includes the following fields: "Name" (First and Last), "Choose your username" (with a dropdown for "@gmail.com"), "Create a password", "Confirm your password", "Birthday" (Month, Day, Year), "Gender" (I am...), "Mobile phone" (+62), "Your current email address", "Prove you're not a robot" (checkbox to skip verification), a CAPTCHA image showing the word "Farm", "Type the text:" (input field), "Location" (Indonesia), and a checkbox for "I agree to the Google Terms of Service and Privacy Policy". A "Next step" button is at the bottom right. At the bottom of the page, there are links for "Google", "Privacy & Terms", "Help", and a language selector for "English (United States)".

Isian data pendaftaran :

a. Name *)

Ada dua field yaitu first (diisi nama depan) dan Last (diisi nama belakang). Pada isian data ini wajib diisi, apabila dikosongkan akan muncul tampilan seperti di bawah ini:
